INTRODUCTION

The City of Isleton is requesting Bids for the Main Street ADA Ramp project from qualified individuals or firms. The purpose of this bid is to seek and enter into a contract with a Contractor that holds either a Class A license or a combination of class C licenses that make up a majority of the work to construct ADA curb ramps at three intersections in the City of Isleton, California.

Each bid must be accompanied by a certified check, cashier's check, or bidder's bond made payable to the City of Isleton for an amount equal to at least ten percent (10%) of the amount of bid, such guaranty to be forfeited should the bidder to whom the contract is awarded fail to enter into the contract.

No contractor or subcontractor may be listed on a bid proposal for a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5.

The DBE Contract goal is (0%).

Complete work within 30 working days.

The estimated cost of construction is \$300,000.

No prebid meeting is scheduled for this project.

You must take necessary and reasonable steps to ensure that DBEs have opportunity to participate in the Contract (49 CFR 26).

Prevailing wages are required on this Contract. The Director of the California Department of Industrial Relations determines the general prevailing wage rates. Obtain the wage rates at the DIR Web site, <http://www.dir.ca.gov/DLSR/PWD>.

The federal minimum wage rates for this Contract as determined by the United States Secretary of Labor are included in the Bid Book and are available at <https://sam.gov/wage-determination/CA20250018/7>.

SCOPE OF WORK

This project includes ADA ramp upgrades at three intersections in Isleton: Main Street / E Street, Main Street / F Street, and Main Street / H Street. Services provided to the City of Isleton by the Contractor shall be in accordance with attached design plans and construction notes.

OTHER MINIMUM QUALIFICATIONS

Contractors shall construct improvements in conformance with County of Sacramento Standard Specifications (2024). All work shall be done in a safe and workmanlike manner to industry standards. All work will comply with the California Building code and all applicable state and federal laws and regulations.

Contractors and associated professionals shall have all necessary licenses from the appropriate licensing agencies to perform above listed services and such licenses shall be current and in good standing in the State of California. The Contractor and associated professionals shall provide copies of such licenses to the City of Isleton upon request.

Contractors and all associated professionals providing services under this contract must be covered by general commercial liability and professional malpractice liability insurance policies with minimum coverage limits of no less than \$1,000,000. Responding parties shall submit Certificates of Insurance of such coverage as part of their bids. Failure to include these Certificates of Insurance in a bid may result in rejection of that proposal.
