**CITY RESOLUTION NO. 022-21 - A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ISLETON PLACING AN ORDINANCE MEASURE ON THE NOVEMBER 2, 2021 BALLOT THAT ESTABLISHES A ONE-HALF CENT SPECIAL TRANSACTIONS AND USE TAX FOR FIRE PROTECTION SERVICES; REQUESTING THAT THE SACRAMENTO COUNTY BOARD OF SUPERVISORS CONDUCT THE ELECTION; AUTHORIZING THE MAYOR TO PREPARE A WRITTEN ARGUMENT IN SUPPORT OF THE TAX MEASURE; AND DIRECTING THE CITY ATTORNEY TO PREPARE AN IMPARTIAL ANALYSIS OF THE MEASURE**

## **SUBJECT**

Staff is recommending that the City Council set a Special Election to place the renewal of Measure B on the November 2, 2021 Ballot. The current Measure B, passed in 2016 is a one-half cent special transactions and use tax for fire protection services and expires the end of this year.

## **BACKGROUND**

Measure B passed on the June 7, 2016 ballot. This State Department of Tax and Fee Administration report that this Measure expires on September 30, 2021.

California Revenue and Taxation Code Section 7285.91 authorizes the City Council to levy a special transactions and use tax via approval by voters, raise revenue for fire protection services in the City of Isleton establishing a 0.50 percent (i.e. ½ cent) transactions and use tax for a period of five years. This ballot Measure asks the voters to continue this special half cent sales tax to fund fire protection services for five years.

Note that the City has two special use one-half cent sales taxes – one for fire protection, Measure B, and one for general services, previously called Measure C and renewed last November as Measure L. This action is to renew Measure B, fire protection. It will also be called Measure B on the election ballot.

The reason for the urgency of this action is that the City does not have a financial manager whose duties include monitoring expenses and revenues. In surveying tax revenues, the Staff

discovered the expiration date of the fire sales tax measure. Given the legal parameters set by the City Attorney and the ministerial parameters set by the County Board of Elections, the City can take these actions to bring this Measure to the electorate and continue the fire protection services sales tax.

Staff is recommending passing both Ordinance No. 2021-006 and Resolution No. 022-21.

### **FISCAL IMPACT**

The current Measure B provides approximately \$90,000 annually. Failure to renew this measure will significantly affect fire protection services and city services.

### **RECOMMENDATION**

It is recommended that the City Council pass Ordinance No. 2021-006, an urgency Ordinance of the City of Isleton establishing a Special Transaction and Use Tax for fire protection services to be administered by the California Department of Tax and Fee Administration, subject to adoption by the Electorate, and,

That the City Council pass Resolution No. 022-21, placing an ordinance Measure on the November 2, 2021 ballot that establishes a one-half cent special transactions and use tax for fire protection services; requesting that the Sacramento County Board of Supervisor conduct the election; authorizing the Mayor to prepare a written argument in support of the tax measure; and directing the City Attorney to prepare an impartial analysis of the Measure.

Section 3. PURPOSE.

This ordinance shall establish a special transactions and use tax to read as set forth herein, and is adopted to achieve the following, among other purposes, and directs that the provisions hereof be interpreted in order to accomplish those purposes:

A. To impose a retail transactions and use tax in accordance with the provisions of Part 1.6 (commencing with Section 7251) of Division 2 of the Revenue and Taxation Code and Section 7285.91 of Part 1.7 of Division 2 which authorizes the City to adopt this tax ordinance which shall be operative if two-thirds of the electors voting on the measure vote to approve the imposition of the tax at an election called for that purpose.

B. To adopt a retail transactions and use tax ordinance that incorporates provisions identical to those of the Sales and Use Tax Law of the State of California insofar as those provisions are not inconsistent with the requirements and limitations contained in Part 1.6 of Division 2 of the Revenue and Taxation Code.

C. To adopt a retail transactions and use tax ordinance that imposes a tax and provides a measure therefore that can be administered and collected by the California Department of Tax and Fee Administration in a manner that adapts itself as fully as practicable to, and requires the least possible deviation from, the existing statutory and administrative procedures followed by the California Department of Tax and Fee Administration in administering and collecting the California State Sales and Use Taxes.

D. To adopt a retail transactions and use tax ordinance that can be administered in a manner that will be, to the greatest degree possible, consistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, minimize the cost of collecting the transactions and use taxes, and at the same time, minimize the burden of record keeping upon persons subject to taxation under the provisions of this ordinance.

Section 4. CONTRACT WITH STATE.

Prior to the operative date, the City shall contract with the California Department of Tax and Fee Administration to perform all functions incident to the administration and operation of this ordinance; provided, that if the City shall not have contracted with the California Department of Tax and Fee Administration prior to the operative date, it shall nevertheless so contract and in such a case the operative date shall be the first day of the first calendar quarter following the execution of such a contract.

Section 5. TRANSACTIONS TAX RATE.

For the privilege of selling tangible personal property at retail, a tax is hereby imposed upon all retailers in the incorporated territory of the City at the rate of 0.50% of the gross receipts of any retailer from the sale of all tangible personal property sold at retail in said territory on and after the operative date of this ordinance.

Section 6. PLACE OF SALE.

For the purposes of this ordinance, all retail sales are consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or his agent to an out-of-state destination or to a common carrier for delivery to an out-of-state destination. The gross receipts from such sales shall include delivery charges, when such charges are subject to the state sales and use tax, regardless of the place to which delivery is made. In the event a retailer has no permanent place of business in the State or has more than one place of business, the place or places at which the retail sales are consummated shall be determined under rules and regulations to be prescribed and adopted by the California Department of Tax and Fee Administration.

1. The word "State" is used as a part of the title of the State Controller, State Treasurer, State Board of Control, California Department of Tax and Fee Administration, State Treasury, or the Constitution of the State of California;

2. The result of that substitution would require action to be taken by or against this City or any agency, officer, or employee thereof rather than by or against the California Department of Tax and Fee Administration, in performing the functions incident to the administration or operation of this Ordinance.

3. In those sections, including, but not necessarily limited to sections referring to the exterior boundaries of the State of California, where the result of the substitution would be to:

a. Provide an exemption from this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not otherwise be exempt from this tax while such sales, storage, use or other consumption remain subject to tax by the State under the provisions of Part 1 of Division 2 of the Revenue and Taxation Code, or;

b. Impose this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not be subject to tax by the state under the said provision of that code.

6. Except as provided in subparagraph (7), a retailer engaged in business in the City shall not be required to collect use tax from the purchaser of tangible personal property, unless the retailer ships or delivers the property into the City or participates within the City in making the sale of the property, including, but not limited to, soliciting or receiving the order, either directly or indirectly, at a place of business of the retailer in the City or through any representative, agent, canvasser, solicitor, subsidiary, or person in the City under the authority of the retailer.
